GLOBAL EVENTS & PROGRAMMING

NetDiligence Global Events & Programming Invites YOU!

NetDiligence Global Events & Programming is pleased to announce the issue of free passes to Cyber Risk Summit Philadelphia, September 30–October 2, 2024, for members of InfraGard. Cyber Risk Summit is the nation's premiere educational and networking event in cyber security, featuring thought-leading speakers from insurance, legal, and incident response, plus networking and social events open to all registrants.

Free passes to the event, valued at $1349, will be made available to InfraGard members. Passes include three days of programming, food and beverage, and all amenities.

Cyber Risk Summit Philadelphia takes place at the historic Loews Philadelphia Hotel, a downtown location convenient to all public transportation.

Agenda highlights include:

- Legal and Regulatory Updates
- Current Cyber Threats and Risk Controls
- Developing Breach Trends
- The latest on cyber claims and losses

+ more cyber security preparedness and incident response topics with CLE credit options
